ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board approve the adoption and purchase of health and medical sciences textbooks for grades 9-12 at an estimated cost of \$33,226.23.

KEY POINTS:

- The textbook committee evaluated the textbooks and supporting material.
- The textbooks correlate with the state required course competencies.
- The textbooks reinforce the Standards of Learning as embedded in the course competencies.
- The textbooks reinforce skills required to address industry certification exams.
- The textbooks met the evaluation criteria and were determined appropriate for grade levels 9-12.
- The textbooks will be purchased as a classroom set.

SCHOOL BOARD GOAL:

Goal 1: Provide educational excellence through instruction that establishes high expectations for *all* students yet recognizes the unique needs of each learner.
